Now, as heretofore, The Thindest strives to be first of all and pre-emiliantly a news paper.

France a Republic—England and Germany gradually permeated with Republican ideas—Spain swaying in the nerveless grasp of a ruler too good for a King and too weak for a Republican, who is sunable to govern the great island that blocks the entrance to our Gulf of Mexico, and equally unit be sent by express, free of expense to good for a King and too weak for a Republican, who is sunable to govern the great island that blocks the entrance to our Gulf of Mexico, and equally unit be sent by express, free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to our Gulf of Mexico, and equally unit be sent by express free of expense to ear Gulf of Mexico, and equally unit be sent by express free of expense to ear Gulf of Mexico, and equally unit be sent by express free of expense to ear Gulf of Mexico, and equally unit be sent by express free of expense of purchaser. entrance to our Gulf of Mexico, and equally unable to give it up—the German-speaking peoples agliated by a new Protestantism, separating from the See of Rome on the dogma of Papal Infallibility and assuming to recognize the "Old Catholics"—the whole continent pervaded by the intellectual ferment that comes of the conflict between old ideas, philosophical, theological, material, and the advances of Physical Science—Russis and Great Britain running a race for the final gains that shall determine Asiatic supremacy—thins seeming ready to abandon her advances and reclose her half-opened gates—Japan abolishing feudalism and inviting Western civilization to irradiate Western commerce to enrich her long-hisradiate Western commerce to enrich her long-hid den empire-such are phases of the news from abroad which the mails over all Continents and the

ging up toward larger recognition and a brighter fature.

At home the struggle for Freedom seems over. The last slave has long been a citizen; the last opposition to emancipation, enfranchisement, equal-civil rights, has been formally abandoned. No party, North or South, longer disputes the result of the War for the Union; all declare that these results must never be an lone; and, with a whole people thus united on the grand platform of All Rights for All, whereto our bloody struggle, and the prolonged civil contests that followen, have led us, the Republic closes the records of the bitter, hateful Past, and turns peacefully, hopefully, to the less alarming because less vital problems of the Future. To whatever may clucidate the general discussion or action on these, The Thirty signer amplest space and most impartial record. Whatever parties may propose, whatever political leaders have any server wherever different may be in fairly and the control of the last space and most impartial record. ever parties may propose, whatever political leaders may say, whatever officers may do, is fairly set down, in its columns, whether this news helps or hinders its own views. Its readers have the right to an honest statement of the facts; and this they always may be a supplementation.
